TERMINAL DISCLAIMER

The owners of a 100% interest in the above-identified present application, namely the Assignees of record:

Assignees: JFE STEEL CORPORATION
SONY CORPORATION

Assignment to NKK CORPORATION and SONY CORPORATION
recorded on: March 26, 2001

Reel: 011830 Frame: 0329
(on April 5, 2004, the change of name of
NKK CORPORATION to JFE STEEL CORPORATION was
recorded at Reel 015170, Frame 04555).

hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified present application which extends beyond the full statutory term defined in 35 USC 154 to 156 of the following commonly owned patent:

Patent No. : 6,,635,361 Issue Date: October 21, 2003

Any patent granted on the above-identified present application shall be enforceable only for and during such period that the patent granted on the above-identified present application is commonly owned with said commonly owned patent.

This Agreement is to run with any patent granted on the above-identified present application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, there is no disclaimer of the terminal part of any patent granted on the above-identified present application that would extend to the expiration date of the full statutory term as defined in 35 USC 154 to 156 of said commonly owned patent in the event that said commonly owned patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a Court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued or is in any manner terminated prior to the expiration of its full statutory term.

The undersigned is empowered to act on behalf of the Assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or

imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Date: August 22, 2005
